

MASSACHUSETTS
GENERAL HOSPITAL

PSYCHIATRY ACADEMY

Women's Mental Health

Led by Lee S. Cohen, MD and Marlene P. Freeman, MD

43RD ANNUAL
PSYCHOPHARMACOLOGY
CONFERENCE

THURSDAY, OCTOBER 17 FROM 7:00AM – 3:00PM | THE WESTIN COPLEY PLACE, BOSTON, MA

UPDATE ACROSS THE LATEST ADVANCES IN WOMEN'S MENTAL HEALTH.

This course will focus on the diagnosis and treatment of psychiatric disorders in women across the reproductive lifespan. Specialized knowledge is necessary to tailor treatments to reproductive events such as pregnancy and pregnancy planning, the postpartum, breastfeeding, the menopausal transition, and menstrual cycle related mood dysregulation.

Register for this full-day session

THURSDAY, OCTOBER 17, 7:00AM TO 3:00PM
COST IS \$175, LUNCH IS NOT PROVIDED.

REGISTER NOW AT:

mghcme.org/psychopharm2019
